

Primerica Investor Presentation

Full Year 2016

Forward-Looking Statements and Non-GAAP Financial Measures

Forward-Looking Statements

This presentation may contain forward-looking statements and information. Additional information on factors that could cause results to differ materially from those projected in this presentation is available in our Form 10-K for the year ended December 31, 2016, available in the “Investor Relations” section of our website <http://investors.primerica.com>.

Non-GAAP Financial Measures

This presentation also contains non-GAAP financial measures. A reconciliation of those measures to GAAP financial measures is included in our Financial Supplement, which is posted in the Investor Relations section of our website, <http://investors.primerica.com>.

Major Distributor of Financial Services to Middle Income Families ⁽¹⁾

Large sales force allows effective penetration of the vast and frequently ignored **middle income market** in North America

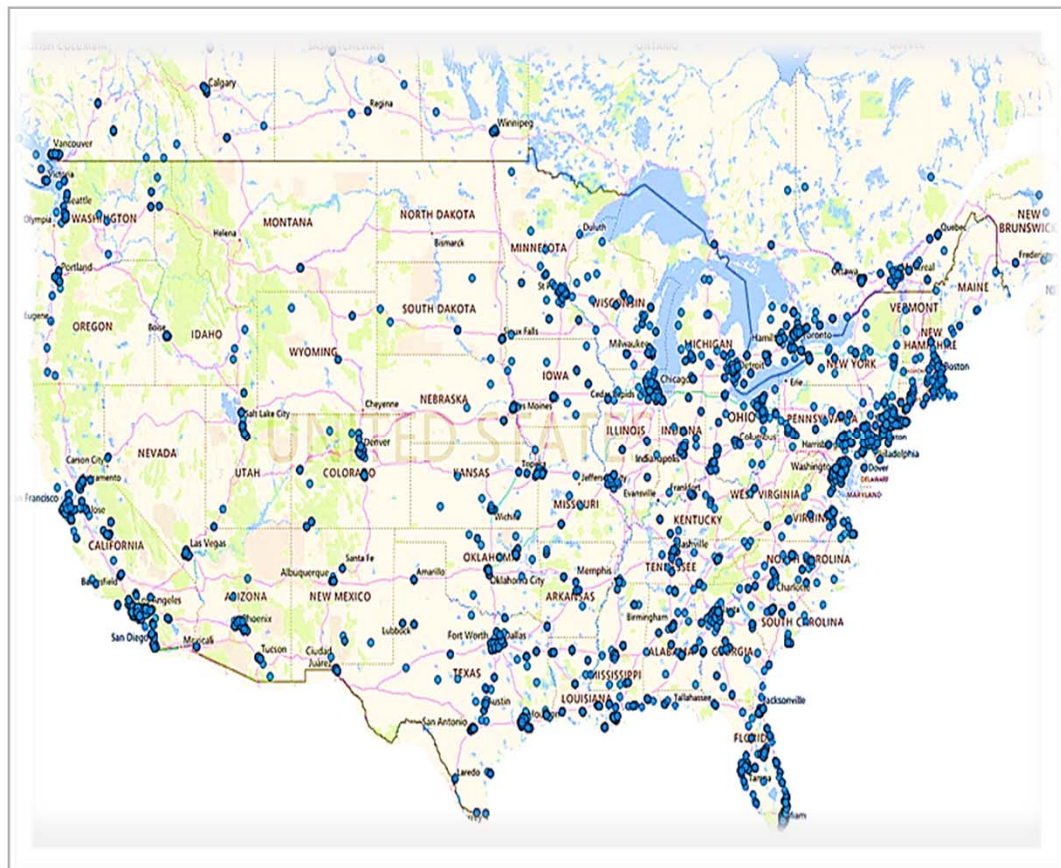

116,827 life insurance licensed representatives

23,745 mutual fund licensed representatives

\$728 billion of Term Life face amount in force

\$52.34 billion in client asset values

1 As of December 31, 2016

Approximately 4,800 Primerica Regional Vice President businesses in the U.S., Canada and Puerto Rico

Distribution Capability is a Competitive Advantage

Primerica Life Insurance Licensed Representatives

- 💡 Independent contractors exclusive to Primerica
- 💡 ~90% of sales force is estimated to be part-time
- 💡 Pay their own business expenses - variable cost for sales force growth
- 💡 Sales force leaders with significant longevity
 - 24,500 → +10 years
 - 10,000 → +20 years

Source: company filings, annual reports and websites.

(1) As of December 31, 2016

(2) Largely part-time representatives

Vast Opportunity in Middle Market

- Traditional financial services companies have focused on more affluent consumers
- Middle income market has substantial needs
 - Inadequate life insurance
 - Need help saving
 - Lack of trusted financial advice
- Primerica's unique distribution model is designed to efficiently reach and serve middle income families

Primerica's Target Market

U.S. Household Income ⁽¹⁾

\$67,000 is Primerica's Average Client Household Income ⁽²⁾

(1) Source: U.S. Census Bureau, Census Population Survey 2016 Annual Social and Economic Supplement, last revised August 26, 2016. Based upon 125.8 mm households.

(2) Primerica Financial Needs Analysis Clients

Simple Products for Long-Term Financial Needs

- Younger families need more income protection: they have young children, higher debt and lower savings
- As they age they need less insurance because their liabilities lessen and their investments grow
- Primerica teaches basic investment principles like diversification and systematic investing through dollar cost averaging over time

Term Life

Term Life Insurance Products

underwritten by Primerica, Inc. companies

6) Certain variances are noted as "nm" to indicate not meaningful

7) Annualized Net Operating Income Return on Adjusted Equity

Capital Deployment has driven growth in both EPS and ROAE

Operating Earnings per Diluted Share

Net Operating Return on Adjusted Stockholders' Equity (ROAE)

(1) Reconciliations between non-GAAP and GAAP financial measures can be found in the Financial Supplement posted in the Investor Relations section of our website.

(2) Earnings per Diluted Share for the comparable periods was \$2.83 (2013), \$3.29 (2014), \$3.70 (2015) and \$4.59 (2016)

(3) Net Return on Stockholders' Equity for the comparable periods was 13.3% (2013), 14.3% (2014), 15.9% (2015) and 18.3% (2016)

- \$150 million of shares repurchases are expected in 2017 reflecting the company's solid results and strong financial position

Core Income Dynamics

- Two primary business segments: Term Life Insurance and Investment & Savings Products
- Third Segment: Corporate & Other Distributed Products consists of net investment income not allocated to the Term Life Segment, revenues and expenses for other distributed products as well as corporate expenses not allocated to the other two segments

Primerica's Operating Income before Income Tax

(\$ in millions)	2016	2015
Term Life	\$213.4	\$173.2
Investment & Savings Products	\$144.4	\$146.1
Corporate & Other Distributed Products	(\$24.2)	(\$26.6)
Total	\$333.5	\$292.7

Primerica's Operating Revenue in 2016

\$1.51 billion of Operating Revenue

Term Life Income Growth Dynamics

- Reinsurance transactions with IPO coinsurers at time of the IPO continue to positively impact year-over-year growth
- Expect mid-teens growth in adjusted direct premiums⁽¹⁾ in 2017
- Expect operating margin to be in the 19% range in 2017
- Stable recurring income with little impact from market fluctuations

(1) Adjusted direct premiums - direct premiums net of premiums ceded to IPO Coinsurers

Conceptual Illustration of Adjusted Direct Premiums⁽¹⁾ Growth by Issue Year (IY)

Issued Term Life Policies (000s)

Investment & Savings Products Dynamics

Investment & Savings Products Income Dynamics

- Diversified mix of revenues
 - Sales-based revenue - fees and commissions received at point of sale
 - Asset-based revenues - fees and commissions on client asset values
 - Account-based revenues record-keeping and custodial fees

- Low capital requirements with largely unrestricted cash flows

Revenue Mix 2016

\$524.6 million of ISP Operating Revenues

Historical ISP Production (\$ in billions)

— Average Client Asset Values

Not a Traditional Life Insurance Company

	Primerica		Traditional Life Company
Operating Revenue ¹			
Fee-Based & Other Revenue	39%	Significant Investment & Savings Products business with substantial recurring revenue	16%
Insurance Premiums	56%	Stable margin through extensive reinsurance	58%
Investment Income	5%	Minimal earnings dependency	26%
Investment Leverage ²	2.2x	Less susceptible to market volatility	9.0x
Net Annualized Operating Return on Average Adjusted Equity ³	19.0%	ROAE above average	12.4x

Note: Traditional Life Company references the mean financial metrics of Torchmark, Lincoln Financial, MetLife, Prudential and Unum's metrics are for Financial Services segment only. Peer Adjusted Equity defined as Common Equity less unrealized gains/(losses).

1 For full year 2016

2 Calculated as (Cash + Invested Assets) / Adjusted Equity without unrealized gains

3 Full year 2016 operating income divided by the average of Q1, Q2, Q3 and Q4 2016 average adjusted equity.
